## **Vanshavali & Business Form to be filled up by Head of the family. (Can be sent by e-mail or on whatsapp.)**

- Aashish Mandal has undertaken a mammoth task of detailing various families of our community & bringing them together in a concise form as "Vanshavali"
- However, this calls a lot of painstaking efforts & considerable amount of finance
- Our Vanshavali was last published in print form in 2004 covering six generations (Year 1820-2004) and was provided free of cost to members. It was then constantly updated on our website.
- We now intend to publish new edition in print form in 2021 with seven generations' data. For this all are requested to send their updated data to Daxa Lalsodagar via whatsapp (9672980150) or Email : daxa81@gmail.com
- We welcome donations for new edition of Vanshavali so the copies can be distributed free of cost to community members this time as well. Donors' names for donations above ₹.3000/- will be published in the new edition.
- Members can also book space for offering shradhanjali to their departed family members with photographs in the new edition @ 5000/- for full page.
